Gratis personnel provided by Governments and other entities

Report of the Secretary-General

Corrigendum

1. **Summary, second paragraph**

The first sentence *should read*

> The total number of type I and type II gratis personnel engaged in 2005 decreased, as compared to 2004.

2. **Table 1**

The footnote *should read*

> [a] In accordance with the current methodology of counting, the cumulative number of associate experts in 2004 was 182, including those engaged prior to 2004 but still in service during 2004 (such personnel were not counted in previous reports). This brings the total cumulative number of type I gratis personnel to 1,395, as reflected in paragraph 5 on page 2 of the present report.
